

Chalet Timan

5* ski-in ski-out chalet for 8 with sauna and fitness area

You can ski straight back to this luxury chalet with games room and sunny terraces

About Chalet Timan ...

This five-star chalet for eight people in La Clusaz is also in a five-star location - it's just a 15-20 minute walk downhill to all the shops, bars and restaurants of La Clusaz (but remember it's uphill on the way back).

In winter, you can ski back to the chalet after a day on the mountain by going straight down the Beaugard piste.

The fabulous view over the mountains and the village must be one of the best in the area, and with the ski bus stopping just 150m away and the main bus station 800 m away, it's easy to explore this beautiful area without a car.

Summer or winter, there is so much to do in La Clusaz and the surrounding villages, and Chalet Timan is a great place to start.

Please note that a new chalet is being built in front of Chalet Timan. The new chalet won't affect the view once it's finished.
